Many of us have had the experience of good times, yet there are few who have had the true joy of peace. As from this peace true joy arises. Part of it is the meeting of our only true friend and allowing this friend to teach us how to live. This then becomes a life of purpose and true joy. It is common for someone to have a design for their life and seek to live that design. Well, listen carefully. Most of us have no idea how much pain and suffering we inflict upon ourselves by thinking that we can map out our lives without the assistance of our creator. We are raising a tide that will lift all ships. As we accept Holiness into the world, everyone will find spiritual growth to be easier. We are opening a channel for Holiness to consume the planet earth. This is a personal responsibility, yet it is one that benefits all. Communion is the form of prayer where the person intends to lay down their own thoughts and allow the thoughts of God to come to them. It is a deliberate act of humility.
