It s not everyday that you get to move to New York City and reinvent yourself. I was tired of being boring, predictable Emma Mills. I was convinced that my life would be totally different in the Big Apple. And I was right. Jackson Reynard was irresistible and I had no plans on resisting him. Jackson was the epitome of tall, dark and handsome and I was more than happy to let him sweep me off my feet. I expected a summer fling but instead I got a heart-stopping romance. I realized that I had met the love of my life. I just didn t realize that sometimes love isn t enough. It s hard enough getting over an ex. It s even harder when he becomes Hollywood s next biggest heartthrob and his face is plastered on every magazine cover. But the hardest part? The hardest part is when he thrusts himself back into my life and won t let go of the past. I survived losing the man I loved the first time. I don t think I ll survive it again.
