THE LITTLE INSANITY (PAPERBACK)

March Books, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Little Insanity is a relay of relationships between six 30-something individuals and their six degrees (or less) of connectedness. The French call sex Le Petit Mort , the Little Death, because it temporarily suspends the heart and the head. The Little Insanity focuses on the equally crazy effects, of relationships on our behavior in the new millennium. Watch the insanity that ensues when six, seemingly sane individuals mix and shake their own, not so healthy, personality cocktails together. Follow Jenn, Jason, Kyle, Kyra, Brad and Beth through the sexual and personal relationships that are The Little Insanity . Don t mistake this for another knock-off of Friends . This relay of relationships between these 30-somethings shines a light on the different faces we wear and the machinations we all go through to hide what is really beneath the surface With the pace of a literary soap opera, The Little Insanity takes these six characters are on a path of discovery that will lead them to painful truths about life, love, themselves and others. Like a car crash, we must watch as these events drive some of our characters, inexorably, toward a crescendo that is the ultimate insanity.
