It s during these moments that he clamps down on his desires, knowing that it could endanger his marriage and family life. But still, his responsibilities as a parent have him wishing he could escape into the arms of another. Find out how he battles through his urges in this book s first selection of poems, titled Trepidations. With moving candor, he delves into his moments of mental infidelity to his wife. The poet follows that up with Celebrations, a second grouping of poems in which he expresses his appreciation to his loving wife. Using a stylistic approach dubbed cosmopolitan formalism, these poems are meant to appeal to all people, regardless of their gender, sexuality or background. Weed through the tricky problems of a serious relationship and find a love that lasts in Celebrations and Other Poems.
