Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from How to Study the Old Testament The aim of this course of study is to enable each student to gain a clear, comprehensive and proportionate knowledge of the chief characters, events, movements and ideas represented by Old Testament history, and to secure a bird s-eye view of Old Testament literature and thinking. Method These outlines divide the year s work into 104 definite assignments so that the entire Old Testament may be covered in one year of private reading and study, in one year s college work (three hours a week), or in classes in one year of fifty-two weeks (two assignments a week). The outlines are based on Sanders History of the Hebrews and in each lesson the first reading reference is always to that work. The reading references to the four volumes of Kent s Historical Bible present a clear translation and arrangement of the more important Old Testament writings and with the accompanying historical, geographical and literary interpretations furnish an ample basis for connected reading and study. It will always be understood that an essential part of the preparation for each lesson is the careful answering of the questions which are placed at the beginning of each group of numbered sections of Sanders History of the Hebrews. (For example, section 33, page 25.) These questions are carefully formulated in order to direct the Bible reading of the student and to save his time. If every question is answered thoughtfully from the Bible, and if the incidental references are looked up, the student cannot fail to gain a complete working knowledge of the subject. At the end of each lesson additional reading references...
