## THE LIFE O'REILLY

iUniverse. Paperback. Book Condition: New. Paperback. 276 pages. Dimensions: 8.3in. x 5.5in. x 0.7in. Brian Cohen clearly has the gift of story in this riveting debut. His ability to plumb the depths of the human heart, and its capacity to change forged in a modern, gritty, yet sophisticated New York shines through in this estimable work. The mark of a great novel is one that is impossible to put down on its final page. Cohen's book reaches that bar. New York Times bestselling author Michael Christopher Carroll *The Life O'Reilly* is a fascinating read that will warm hearts. *Midwest Book Review* . . . this is the way life should be lived. To be able to stop at any moment and say, I am proud of and very much at peace with who I am. Brian Cohen's first novel is an affecting and haunting story that captures the attention of the reader and holds it throughout, lingering long after the final page is turned. Cohen has a fluidic writing style. His story is well paced and his characters have dimension and distinctive personalities. It is inspiring to watch Nick's heroic battle for survival as he evolves into the kind of man (and life) that will leave a lasting and impressionable legacy. It is not often that a work of fiction leaves the reader contemplating his or her personal outlook on life. The trials that Nick endures are easily applicable to reality. His story gives us pause to think, leaving us grateful for having made Nick's acquaintance. *The US Review of Books* At once a bittersweet love story and a young lawyer's journey of self-discovery, this auspicious debut delivers an emotional wallop and will move readers in unexpected ways. On the outside, Nick O'Reilly has it all: a high-flying legal career, as a partner...
