*****.From the PREFACE. The author s extensive experience in connection with pattern-making in nearly all of its variations impressed him with the belief that great benefit would be derived by many members of the craft by acquiring a more general knowledge of the business. No individual can have had the experience of many. The acquisition, then, of the knowledge of others must be gained through lectures or literature. The literature pertaining to pattern-making is by no means as extensive as the importance of the business warrants. There are many pattern-makers competent to treat the subject in a satisfactory manner, but have been deterred by the amount of time and labor necessary to do the subject justice. The subjects chosen for illustration herein are chiefly those with which the author has had personal experience and were originally written for publication in quot;Machinery.quot; He also records the experience of others in pattern-making; these examples have been selected chiefly from the correspondence of the quot;American Machinist.quot; He has embodied whatever in his opinion would be of interest to...
