

How to Raise a Child With a High EQ: A Parents' Guide to Emotional Intelligence (Emotional Quotient)

By Shapiro, Lawrence E., Ph. D.

HarperCollins, New York, 1997. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. First printing; full numberline. White boards, cloth spine wrap, bronze metallic spine titles. Dj fine; unclipped 24.00, protected in new clear sleeve. If, as many psychologists and developmental experts believe, emotional intelligence (or "E.Q" in the author's terminology) is just as important as I.Q. in raising healthy, confident, and well-functioning children, then Dr. Shapiro's guide for parents couldn't come at a better time. In accessible and clearly prescriptive prose, the author offers concrete strategies and suggestions to assist parents with the important task of preparing their children to cope with the inevitable problems of growing up, including learning how to make friends, how to resolve conflicts appropriately, and how to cope with psychological stress and physical pain. 256 pages. Size: 8vo - over 7¾" - 9¾" tall. Book.
