Brand New Book ***** Print on Demand *****.When urban vice principal, Doctor Jamison Brown, learns that police have designated the murder of student Roderick Davis as Gang Related he knows right then, the killers will probably never be caught. The police rarely investigated gang related murders thoroughly. They were probably relieved to have one less gang banger to deal with. The real shame was that everyone who knew the Roderick was absolutely sure that the popular high school junior would never be involved with any gang. The matronly department chair shows her flip side as a...
