IMPERATIVE: A QUINN LARSON QUEST (PAPERBACK)

Perry Anne Wilson, United States, 2012. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.How much must wizard Quinn Larson sacrifice in the service of the greater good? Quinn Larson is a wizard. His life in the hidden world of the Vancouver Real Folk is one of study and socializing. Until one night when he witnesses a human's death at the hands of a fairy. One dead human is a problem, and three is something he can't ignore. The last time the Real Folk came this close to being exposed it caused a genocide that washed away a part of all their magical power. Someone has to make the murders stop or the magical folk will face much worse than death. That someone is Quinn. Quinn will need all the help he can get to figure it out - help like Olan, a pixie with an unfortunate case of feathers; Princess Elizabeth, the leader of the rose fairies; Cate Witherspoon, a witch that he's never been able to stop thinking about. Imperative is the first book of the Quinn Larson Quests. If you've read and liked Jim Butcher's Dresden Files, and you have a thing for Celtic fae mythology, you'll love these stories of betrayal, political machinations, and danger. Buy this book today to find out why the fairies are killing humans, and how far a sidhe queen will go to gain power.
