Reviews

An exceptional pdf as well as the typeface utilized was interesting to see. I am quite late in start reading this one, but better then never. I am very happy to explain how this is actually the best pdf i actually have go through within my individual daily life and might be he greatest publication for possibly.

CLINICAL SKILLS AND EXAMINATION: THE CORE CURRICULUM

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Clinical Skills and Examination: The Core Curriculum, Robert Turner, Ashok Handa, Brian Angus, Chris Hatton, This practical, thorough, and concise pocketbook is the perfect companion to the clinical skills needed for life on the wards. It covers all the essential elements that lie at the heart of medical practice in which students must prove their competence, and lays the foundations needed for the rest of their medical career. Part One covers history taking, examination and communication; and Part Two provides an overview of key practical procedures and diagnostic skills, all of which are typically examined via Objective Structured Clinical Examinations (OSCEs) or other clinical case format examinations. The coverage of examination skills alongside practical procedures and explanations of typical tests and investigations make this pocketbook invaluable for students new to clinical medicine. The authors are specialists in teaching clinical skills from both a medical and surgical perspective, and are perfectly placed to cover these cornerstones of medical practice.
