Harper Torch, United States, 2012. Paperback. Book Condition: New. 170 x 106 mm. Language: English . Brand New Book. First the asteroid would come, slamming into the earth just north of the Montana border, followed by earthquakes, tsunamis, and unending night. And after that . . . Hell. Astronomer Marty Chittenden is the first to recognize the approaching doom--a discovery that makes him a marked man. Green Beret Jack Forrest knows the catastrophe is inevitable, and begins stockpiling an abandoned missile silo with supplies while gathering together a small community of men, women, and children he prays can survive the apocalypse. Then disaster strikes. In an instant the world they know ends forever, transformed into a nightmare realm of eternal darkness. Soon the few remaining humans are transformed as well, becoming savage things--raping, pillaging, and devouring their own. And the time is approaching when Forrest and his people will have to leave their underground Noah s Ark to face a shattered world and the unspeakable terrors that dwell there--in desperate pursuit of one slim hope of survival . . . called Hawaii.
