This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Bantam Doubleday Dell Publishing Group Inc. Paperback / softback. Book Condition: new. BRAND NEW, Prom Dates from Hell, Rosemary Clement-Moore, Maggie Quinn, Girl reporter. Honors student, newspaper staffer, yearbook photographer. Six weeks from graduation and all she wants to do is get out of Avalon High in one piece. Fate seems to have different plans for her. High school may be a natural breeding ground for evil, but the scent of fire and brimstone is still a little out of the ordinary. It's the distinct smell of sulfur that makes Maggie suspect that something's a bit off. And when real "Twilight Zone" stuff starts happening to the school's ruling clique--the athletic elite and the head cheerleader and her minions, all of whom happen to be named Jessica--Maggie realizes it's up to her to get in touch with her inner Nancy Drew and ferret out who unleashed the ancient evil before all hell breaks loose. Maggie has always suspected that prom is the work of the devil, but it looks like her attendance will be mandatory. Sometimes a girl's got to do some pretty undesirable things if she wants to save her town from soul-crushing demons from hell and the cheerleading squad. "From the Hardcover edition."
