# CAPITALIZING ON INVESTMENTS IN SCIENCE AND TECHNOLOGY

Paperback. Book Condition: New. Not Signed; Although the United States is currently capitalizing on its investment in science and technology effectively, there remains much room for improvement. This volume identifies the ingredients for success in capitalizing on such investments to produce national benefits, assesses current U.S. performance, and identifies future challenges. The book cites specific examples and examines several cross-cutting issues. It explores the possibility that the national research portfolio is losing diversity as a result of less long-term research...
