Xulon Press. Paperback. Book Condition: New. Paperback. 228 pages. Dimensions: 10.8in. x 8.2in. x 0.5in. Every Christian healthcare professional practices from assumptions, with a framework for understanding what it means to be a person, how wounding and brokenness occur, and how healing and restoration occur. For many, their assumptions are implicit, guiding perceptions and actions without being consciously articulated and examined. One purpose of this volume is to assist Christian healthcare professionals in articulating their assumptions by presenting three perspectives that are explicit, scientifically and theologically informed, internally consistent, and compatible with Christian tradition. The reader can then use these perspectives to stimulate self reflection. In a culture that is as diverse as American culture, we see the effects of diversity in healthcare practice. Today we witness attempts to integrate the natural and the supernatural in holistic healthcare practices. In these attempts, the spiritual practices that have found most favour and use have come mostly from the Asian Buddhist and Hindu traditions. Traditional Christian healing practices have been largely ignored. An exception is the researched and demonstrated value of forgiveness. One difficulty we have encountered in making a case for Christian healing practices in healthcare is that we have not had...
