Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I designed this book specifically for young children to introduce them to Biblical characters. It is a great learning tool that teaches the alphabet and helps familiarize your child with the Bible. The Biblical characters are arranged in alphabetical order with each one having a short description of who they are to help your child become acquainted with them. Parents, you can read this book to your younger children. It will make a great read as a bedtime story or any time. For those children who are able to read themselves, this book makes a great discussion starter. Your child will be proud to own this book. Be sure and purchase the coloring book version for more learning and great fun!.
