Be prepared to have your world turned upside down and open your eyes to a whole new way of living and working. Through a series of entertaining stories, this astonishing book will show you how most of us are not fulfilling our potential - in our personal lives and at work - because of 'self-deception'. It will show you how to escape your box of self-deception, and change for the better in a lasting way: don't focus on what others are doing wrong. Do focus on what you can do to help; don't worry whether others are helping you. Do worry whether you are helping others; and, don't try to be perfect. Do try to be better.
