

A Good Look Before Dark: A Warped Memoir (Paperback)

By Brian Patrick Higgins

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. On the path to a journalism career that started with a bang, Brian Patrick Higgins played a part in the most warped Sunday Mass in the history of Catholicism; faked his own college graduation; found himself at the center of a riot of bat-wielding baseball players; narrowly missed a point-blank shot to the head; and found himself as an unwitting assistant to The Grim Reaper. In mourning following a litany of funerals, our protagonist meets the woman of his dreams on the very day he inaugurates what is now one of California s most popular hiking clubs. After decades of low-hanging fruit on the relationship vine, will he find love at altitude? You might just crack a rib laughing, or shed a few tears, en route to the answer.
