John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Love Upside Down: Life, Love and the Subversive Jesus, Steven G. Ogden, Oh no, another book on love? But this is different. This is for people who are looking for a gritty account of life, love and the dilemmas of human existence. This is for twenty first century thinkers and lovers, from searching Christians to open minded agnostics and willing atheists who want a genuine account of love that respects human experience and mines the depths of a greater wisdom. Steven Ogden taps into Christianity, but there is no old man in the sky pulling the strings and no bible bashing or hocus pocus. And instead of Jesus meek and mild, he recommends the subversive Jesus: this Jesus provoked outrage and censure, all in the name of love, because people were more important to him than religious dogma, principles and institutions. This is love upside down. This means we can look at the big issues of our day with new eyes. Love Upside Down looks at contemporary attitudes regarding women, the environment and homosexuality to see if love can make a difference.
