Reviews

This is the finest publication we have read through right up until now. Better than ever, though I am quite late in starting to read this one. It has been written in a remarkably easy way in fact it is only after I finished reading through this book that I basically altered me, affecting the way I think.

The books feature stories about everyday events and are designed to help children learn about social behaviour at an early age. Through the stories, children will find out how to interact with one another, teaching them to respect the character, personality and emotions of their peers.
