The Tariff: Protection Vs, Free Trade (Classic Reprint) (Paperback)

By Abbot Kinney

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Tariff: Protection Vs, Free Trade The details of the tax known as the Protective Tariff have been much worked with, but the principles of taxation and of government to which these details must be referred to be understood, receive but scant attention. The details of administration in all things must be in accord with the fundamental principles and general truths upon which the matter rests, otherwise any theory based upon such erroneous details is as though based on shifting sands. It must fall; the higher and grander the structure thus founded, the more certain is its downfall. There are now in this country two opposing policies in regard to Custom House taxation. One of these is the policy of a tariff or tax for revenue only. The money thus raised is used by the government for the maintenance of order, defending the commonwealth and the usual legitimate needs of administrating the laws. Incidentally this tax like all others works harder on some persons than on others, but this it tries to avoid. It never...
