It was thus logical that schools, teachers and students were confronted with a fairly unknown topic that belongs to what is referred too as English-speaking literature. Canadian literature is, strictly speaking, part of what is commonly considered to be Literature of the Colonies, a term that sums up literature from Africa, Asia, Australia, Canada and New Zealand. Canada in this respect still holds a key position for European readers simply because of its historic links to England and France and its deep roots in native elements, all of which seem to have enriched its historical, cultural and literary variety. All three influences have contributed to the key term of present Canadian literature which seems to focus on the concept of survival and its manifold presentations in past and present day Canadian writing. It is thus not astonishing to spot this notion of survival in all types of writing, and detective stories, in general, also do not seem to be an exception. It is therefore natural for the reader to trace and find this notion in Louise Pennys novels, too. Louise Penny herself is considered to be one, if not the most outstanding contemporary Canadian representative of this type of writing, and it was simply a question of time when she came into the focus of...
