Rather than simply describing how to use each feature of a product, Macromedia Flash 8 @work introduces key tools in a single chapter and then moves on to what you really want to know -- how to use Macromedia Flash to complete the projects you're likely to face every day on the job. You'll get step-by-step coverage of how to complete 10 common projects chosen by a panel of Flash users. Plus, tips, tricks, and notes will provide you with the information you need to apply what you learn on these projects to others you'll undoubtedly be asked to create at work. 416 pp. Englisch.
