OUR ENIGMATIC UNIVERSE

Melrose Books. Paperback. Book Condition: new. BRAND NEW, Our Enigmatic Universe, Alan H. Batten, Three themes permeate Our Enigmatic Universe: that materialism is not the only tenable philosophy for those who take seriously the discoveries of modern science about the size, age and nature of the universe; that a rational case can be made for some form of religious belief; and that, despite all the astounding progress of recent scientific discovery, the universe is indeed enigmatic and there is still...

Completely essential go through book. I actually have gone through and I am sure that I am going to go back to read it yet again yet again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
