Pitchstone Publishing. Paperback. Book Condition: new. BRAND NEW, Citizen Lobbyist: A How-to Manual for Making Your Voice Heard in Government, Amanda Knief, Barry W. Lynn, More citizen involvement is needed in our government processes to ensure the voices of the people are heard over the money of paid lobbyists, unions, and coalitions, both in Washington, DC, and in state capitals across the country. Too often our public officials seem removed from the people who hired them to be their representatives and fail to work on their behalf. The Citizen Guidebook is a handbook for anyone who wants to learn about how to be active in local, state, and federal government and have a voice in creating public policy. It gives a step-by-step plan on how to lobby elected officials about whatever issues you care about, offers information on how to plan a lobbying meeting for individuals and groups, and provides sample lobbying worksheets and resources to assist with finding legislative information and history. The Citizen Guidebook is your go-to reference for being a grassroots activist and citizen lobbyist.
