

## Raising Self-Reliant Children in a Self-Indulgent World: Seven Building Blocks for Developing Capable Young People

By H. Stephen Glenn

Harmony. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 9.1in. x 7.3in. x 0.7in. No Parent or Educator Can Afford to Ignore This Groundbreaking Work! Bestselling authors H. Stephen Glenn and Jane Nelsen have helped hundreds of thousands of parents raise capable, independent children with *Raising Self-Reliant Children in a Self-Indulgent World*. On its tenth anniversary, this parenting classic returns with fresh, up-to-date information to offer you inspiring and workable ideas for developing a trusting relationship with children, as well as the skills to implement the necessary discipline to help your child become a responsible adult. Those who think in terms of leniency versus strictness will be surprised. This book goes beyond these issues to teach children to be responsible and self-reliant not through outer-directed concerns, such as fear and intimidation, but through inner-directed behavior, such as feeling accountable for one's commitments. Inside, you'll discover how to instill character-building values and traits in your child that last a lifetime. During these turbulent days when families are in disarray and children are getting the short end of the stick, this book can be very helpful to parents who are struggling to bring up self-reliant children. Even after raising five of my own and becoming...
