

## The Gardens of Democracy: A New American Story of Citizenship, the Economy, and the Role of Government

Filesize: 6.22 MB

### ***Reviews***

*Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).*

*(Prof. Martine Lesch)*

## THE GARDENS OF DEMOCRACY: A NEW AMERICAN STORY OF CITIZENSHIP, THE ECONOMY, AND THE ROLE OF GOVERNMENT

DOWNLOAD

Sasquatch Books. Hardback. Book Condition: new. BRAND NEW, The Gardens of Democracy: A New American Story of Citizenship, the Economy, and the Role of Government, Eric Liu, Nick Hanauer, Understand income inequality, middle-out economics and other realities of modern America as authors Eric Liu and Nick Hanauer argue that fundamental American assumptions about citizenship, society, economics, and government need updating for the 21st century. For many years the dominant metaphor for understanding markets and government has been the machine. Liu and Hanauer view democracy not as a machine, but as a garden. A successful garden functions according to the inexorable tendencies of nature, but it also requires goals, regular tending, and an understanding of connected ecosystems. The latest ideas from science, social science, and economics--the cutting-edge ideas of today--generate these simple but revolutionary ideas: True self interest is mutual interest. (Society, it turns out, is an ecosystem that is healthiest when we take care of the whole.) Society becomes how we behave. (The model of citizenship depends on contagious behavior, hence positive behavior begets positive behavior.) We're all better off when we're all better off. (The economy is not an efficient machine. It's an effective garden that need tending. Adjust the definition of wealth to society creating solutions for all.) Government should be about the big what and the little how. (Government should establish the ideas and the goals, and then let the people find the solutions of how to make it happen.) Freedom is responsibility. (True freedom is not about living some variant of libertarianism but rather an active cooperation a part of a big whole society; freedom costs a little freedom.) "The Gardens of Democracy" is an optimistic, provocative, and timely summons to improve our role as citizens in a democratic society.
