

Preventing Child and Adolescent Problem Behavior: Evidence-Based Strategies in Schools, Families, and Communities

By Jeffrey M. Jenson

Oxford University Press, USA. Paperback. Book Condition: New. Paperback. 208 pages. Dimensions: 9.2in. x 6.1in. x 0.4in. Children and youth face enormous developmental challenges in American society. At no time in the country's history have young people been confronted simultaneously by such a wide array of positive and negative influences and opportunities. Fortunately, most adolescents become healthy adults who participate in positive life activities. For some young people, however, the path to successful adulthood is characterized by involvement in problem behaviors like substance abuse, delinquency, violence, or school dropout. Prevention has been heralded as an effective way to reduce the adverse effects associated with childhood and adolescent problem behavior. Bolstered by evidence indicating that empirically-based programs can prevent or delay the onset of child and adolescent problems, many schools and communities have strengthened their commitment to prevention programming. Yet efforts to identify and disseminate evidence-based school, family, and community prevention strategies are lacking. In this book, we trace the rationale, history, and evolution of prevention in the United States. Empirical evidence pertaining to the prevention of common child and adolescent problems is identified and systematically reviewed. A public health framework based on concepts of risk and protection is used as a...

Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

-- **Prof. Murl Shanahan DDS**

The very best publication I at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
